Dear Victor

Streets paved with gold at Mitcham Library. 30th October 1999

I am writing to express my thanks on behalf of Merton Library and Heritage Service for your performance of *Streets paved with gold* last Saturday.

All of us - staff and audience alike - found the work engrossing and hugely enjoyable as well as enlightening for some of us. I know the older members of the audience in particular were enraptured by your performance as it took them back into their own personal histories.

We would certainly like to have you back for more performances in the future.

Best wishes
