Dear Victor

Thank you for attending the 2005 Cambridgeshire Princes Trust Celebration Event and running a mini workshop during it. The final results on stage were truly inspirational and the young people involved appeared to grow in confidence in such a short time and I am sure this has had a very positive effect on their lives.

In addition Elaine Fairhead from the Pupil Referral Unit in March Cambs has contacted me to express her thanks for both our and your input into your recent visit to her school and enquired when we can arrange for you to return to run a similar afternoon for the students in her care. I will be speaking with Elaine after half term and contact you again in early November.

In the meantime I wish you continued success and hope to continue the Trust's relationship with you over the coming months.

Regards

Steve
